Peugeot Boxer based

Hi-line coachbuilt

Rear lounge layout

Bailey have applied their experience in caravan design to the coachbuilt motorhome market. Producing a range of three models employing the same high performance Alu-Tech construction system used in the existing touring caravans. The SE760 is the largest of three models in this new Approach range. It is a 6 berth rear lounge layout with a front full dinette and an overcab bed with 6 travelling seats inc driver & passenger.
