2.3ltr HPI, 4 berth

Rear lounge van conversion

61,181 miles

The Diamond is based on the XLWB high roof Iveco Daily, which provides maximum internal space from a van conversion. The layout comprises a rear 'u' shaped lounge, galley kitchen, good size shower/toilet and front lounge with single forward-facing traveling seat and side-facing settee. There is a very useful privacy screen to divide the front and rear sections of the motorhome.
