'19 plate 2019 Ducato based

2.3ltr 150bhp **automatic**

Rear bathroom van conversion

8623 miles

A wonderfully spacious and versatile van conversion based on the Fiat Ducato chassis which, despite being sub 6 metre in length, affords maximum storage opportunities not normally associated with type of motorhome; including a double floor with several good-sized floor lockers. The layout consists of a drop-down double bed, forward-facing dinette seating with two belted travelling positions, mid mounted kitchen which includes 3-burner hob & sink unit and a compressor fridge. The layout is completed by a transverse rear bathroom with electric flush cassette toilet, vanity sink and cupboard and a sectionable shower area.

#### Main features
