Gross Weight:	3500 kgs

'67 Plate, 2018 Model

2.3ltr 130bhp Ducato Based

Rear bed / garage model

24,308 miles

A really lovely example of this rear bed, garage model. Comprising a front lounge with a half-dinette that has twin belted travelling seats and a side-facing single seat. Both cab seats fully rotate to produce a spacious 5 seat area with table which can be converted to make another day bed. The mid-mounted kitchen is very well appointed and provides ample storage opportunities. Opposite the kitchen is the large wetroom shower/toilet synonymous with the Hobby brand. Completing the layout is a rear bed area, raised over a very generous, fully transverse, garage. The bed area can be configured as two singles, or inflated to create a very large double and has two very large internally-accessed storage areas (one with clothes hanging rail).

Main features

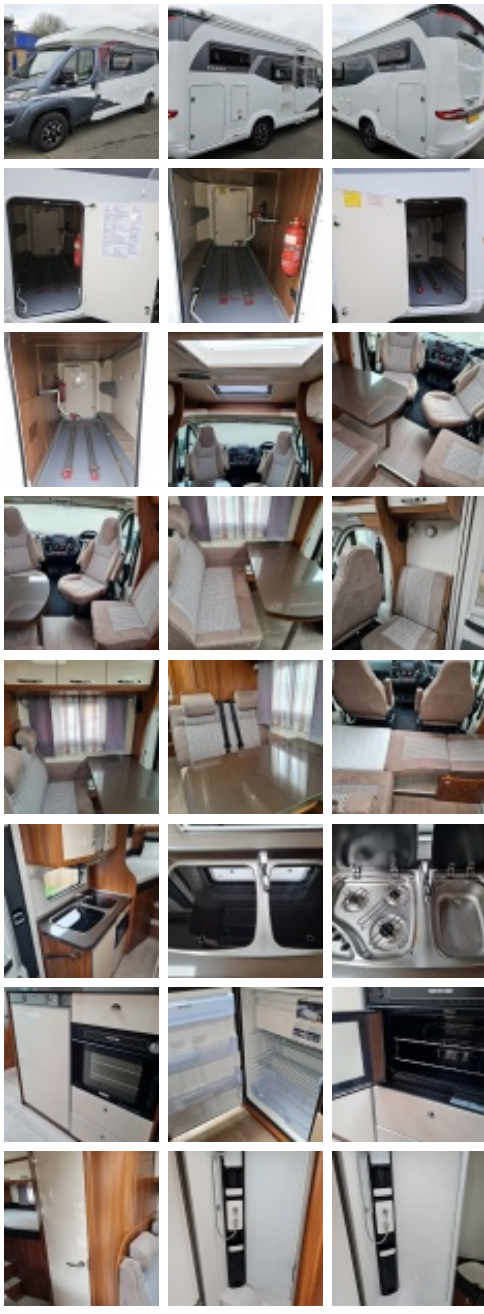

- ➡ 2.3ltr 130bhp Ducato engine
- ➡ 6-speed manual gearbox
- ➡ 24,308 miles
- ➡ Habitation air conditioning
