Ducato based 2.2ltr 140bhp

Automatic coachbuilt

Rear bathroom / garage model

SAVE £6,000 OFF R.R.P. ON THIS MOTORHOME

Based on the Fiat Ducato chassis, this popular, versatile, layout provides something for everyone. It comprises of a front lounge with two side-facing settees (that can be converted to two belted travelling seats) large fold-over, telescopic, table and two rotating cab seats. Above the lounge is an electric, drop-down, transverse double bed and the dinette table can be lowered to become part of the base for a lower double berth area. The kitchen is very well equipped and the incredibly spacious bathroom is transverse and includes a separate shower cubicle. To round off the versatility, there is a full, transverse garage that is accesible for both sides of the motorhome.
