The first and most compact of the Lyseo TD range, the TD594 produces maximum space from minimum volume. It combines a front lounge with two side-facing settees (converting to two belted travelling seats) above which is an electric drop-down bed. The layout is completed by a large, transverse bathroom with separate toilet, vanity and shower areas and a mid-mounted kitchen. Finished in 'Sovereign' livery, this fantastic little motorhome is an excellent 6 metre choice.
